Rhapsody returns this season resplendent with a selection of new colours. The collection opens with a selection of brightly coloured herringbones in a wool and silk mix. They have an elegant sheen which is achieved by bringing the silk to the face of the weave and demand to be seen in colours ranging from yellow through turquoise to purples.

This leads into another array of herringbones, these have more muted colours and a more distinct pattern which adds a richness to the colours of the superfine merino wool.

The final chapter showcases a soft basket weave which brings a easy texture to the fabrics. Colours here are more subtle, cool greys, light blues and olive green all feature alongside classic navy and black ideal for more traditional tastes.

This really is a collection for the colour loving jacket connoisseur.
